21. On the issue of healthcare, some people say we should scrap the current system and move to a single-payer health care system, otherwise known as Medicare-for-All. Others say we should build upon the foundation of the Affordable Care Act and make the necessary reforms to the current system. Which is closer to your view?

21. On the issue of healthcare, some people say we should scrap the current system and move to a single-payer health care system, otherwise known as Medicare-for-All. Others say we should build upon the foundation of the Affordable Care Act and make the necessary reforms to the current system. Which is closer to your view?
